I had a blower that would not run or would run intermittently, the stop running. I replaced the blower resistor, problem continued. Replaced the blower motor, still intermittent running. ... I have a 2005 Dodge Grand caravan that had a check engine light on.

Dodge Grand Caravan Questions - heater fan not working ...

Dodge didn't initiate a recall because the problem did not happen in a large enough percentage of Grand Caravans to warrant such a recall. However, anyone that brought their van in (like my bro) with this problem got the issue fixed for free even if the warranty had expired. I don't know if the 2006 Grand Caravans were prone to the same issue, but it's worth calling your dealership just in case.
