Appreciate the interesting analysis but your conclusion that the author was attempting to mimic Patsy's handwriting makes the least sense. I can only assume you're logically extending from the more recent developments pertaining to DNA analysis and the subsequent public exoneration. Unfortunately, these are not conclusive facts nor truths.

The mathematics portion of the SAT is divided into two sections: Math Test - No Calculator and Math Test - Calculator. In total, the SAT math test is 80 minutes long and includes 58 questions: 45 multiple choice questions and 13 grid-in questions. The multiple choice questions have four possible answers; the grid-in questions are free response and require the test taker to provide an answer.
