Barron's GRE Book Before you run out and start gobbling up the words, let me share a few thoughts. First off — and if you've been reading this blog you've heard me say this many times — word lists are the single worst way to go about learning vocabulary, especially long tedious word lists in alphabetical order.

This book isn't exactly of the new crop of 2013 books, but I was excited to pick up Barron's Verbal Workbook for the GRE. After all, Barron's has done a decent job in its New GRE guide. The questions, while not on par with those of the Official Material, at least provided an introduction to new question formats, such as Text Completions ...
