1.2.1 Aviation turbine fuel manufactured, certified, and released to all the requirements of Table 1 of this specification (D7566), meets the requirements of Specification D1655 and shall be regarded as Specification D1655 turbine fuel. Duplicate testing is not necessary; the same data may be used for both D7566 and D1655 compliance. Once the fuel is released to this specification (D7566) the ...

ASTM D7566 - 21 Standard Specification for Aviation ...
Dune is a great book, and Simon Vance, the primary narrator of the audible version I'm listening to, has probably one of my favorite voices of all time. The voice acting overall is good in this version, but I'm confused as to why some chapters feature several voice actors doing various characters while other chapters - featuring the same ...

Book: If you read at night for multiple hours, powering the light bulb in a bedside lamp will likely use up more energy than it takes to charge an e-reader. But most of your reading occurs during daylight hours (i.e., without electric lighting), then books come out on top.

E-Readers Vs. Print Books: Which is More Eco-Friendly?
But the permanent technological revolution—which brought about dependence on fossil fuels—may also be part of the solution to today's environmental problems. Look back at Figure 1.3, which showed the productivity of labour in producing light. The vast increases shown over the course of history and especially since the mid-nineteenth ...
