A sibling to The Challenge of Marriage and The Challenge of Parenthood combines approach and application in this discussion of bringing up children in a democratic society where the young seem to have gotten the better of their elders. Most of Mr. Dreikurs' principles seem to have evolved through his Child Guidance Centers; at first he seems more permissive as he discusses the child's ...

The pragmatic childrearing advice of Alfred Adler's American disciple, first published in 1964, reprinted with examples to fit British rather than American examples. A basic goal is to establish an orderly democracy in which all family members respect each other, power struggles are avoided, children are happy and parents know how to cope with familiar situations.
