activism—and explains its sources, challenges, and failure. Katznelson argues that the American working class perceives workplace politics and community politics as separate and distinct spheres, a perception that defeats attempts to address grievances or raise demands that break the rules of local politics or of bread-and-butter unionism.

Big city political machines hold an important place in the nation's political lore. They gave us interesting characters with colorful names—John “Bathhouse” Coughlin, “Red Mike” Hylan, Michael “Hinky Dink” Kenna, “Slippery Dick” Connolly, “Old King Cole” (Boss Cole), “King” James McManes, “Iz” Durham (the “dying boss” who confessed to Lincoln Steffens), George ...

Cultural Landscape Bibliography

Urban political parties and the ""machines"" they administer are founded on the racial and ethnic identities, so a class-based politics has been almost impossible to establish. In discussing his chosen neighborhood, Katznelson notes that it's an entirely residential community, developed mostly in the 1920s, and

dormant social activism whose protagonists placed their hopes for radical change and political effectiveness in community action. Ironically, the insurgents chose the local community as their terrain for a political battle that in reality involved a few strictly local issues.

City Trenches by Ira Katznelson: 9780307833402 ...

t. e. American urban politics refers to politics within cities of the United States of America. City governments, run by mayors or city councils, hold a restricted amount of governing power. State and federal governments have been granted a large portion of city governance as laid out in the U.S. Constitution.
