WHAT OTHERS ARE SAYING: "Dispatches from the Front is a fascinating look at how the gospel is penetrating some of the world's neediest places. These are regions where all the worst agonies of human life are multiplied and magnified relentlessly by war, extreme poverty, sex trafficking, drug dealing, false religion, and disease. . . .

## **Dispatches From The Front on Vimeo**

Dispatches From The Front presents the commercial and fine art successes of graduates from DSC's photography program. Their images and stories of their most recent and significant photo work range from defending rhinoceroses from poachers, remembrances from the Orlando Pulse shooting, documenting life in D.C. as a White House photographer, and an exploration of how diversity shapes a metropolis.
