You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Before his arrest in March of 1978, John Wayne Gacy seemed—to outsiders—to be a well-adjusted adult. He ran a successful construction business, earning more than $250,000 per year. On days off, he would volunteer as a clown (“Pogo the Clown” or “Patches the Clown”), cheering up children at orphanages and hospitals.
