To understand China's Great War, we first have to pay attention to events that unfolded from 1895 onwards. After China was defeated by Japan in the First Sino-Japanese War (1894-95), the Chinese were deeply worried about their nation's future, fearing that it could disintegrate. In response, they pursued and adopted desperate measures.

As Australia integrates women into its combat arms, the policy challenges that sexuality presents may prove more enduring than those of gender. Objections to integration based on women's capabilities are expected to quickly become redundant, although the masculine culture of combat units demands careful management.
