An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

Ebook - Wikipedia

The final installment in the chilling Fogg Lake trilogy by New York Times bestselling author Jayne Ann Krentz. Olivia LeClair's experiment with speed dating is not going well. First there was the nasty encounter with the date from hell who tried to murder her and now the mysterious Harlan Rancourt—long believed dead—sits down at her table and tells her she's the only one who can help him ...
