**Infotech : English for computer users : teacher's book ...**

Infotech does not require a specialist knowledge of computers, but it is advisable for teachers to understand the basic concepts and terminology of each unit. These are explained either in the unit texts or in the Teacher's Book (see Teacher's notes or Technical help sections). 2 What does Infotech consist of? The Student's Book contains:

**Fourth Edition - Cambridge University Press**

1 The nature of teacher education This book is about how teachers can continue with their professional development as language teachers once their period of formal training is over. It also examines how supervisors and administrators can provide opportunities for such development to take place. The need for ongoing teacher
