Jack And The Beanstalk Finger

With Alice in Wonderland and Jack and the Beanstalk designs, each one comes with one large hand puppet and four smaller finger puppets. The different sized puppets allow children to put on a show for each story that has a real sense of scale when the giant appears or when Alice grows taller. They're a great way to help children tell tales and encourage creative role play games.

Fiesta Crafts Jack and The Beanstalk Hand and Finger ...

This is a simply wonderful book for stimulating young minds. Not only are the illustrations large and friendly (the giant looks more stupid than scary), but the "pages" are tough, easy-to-clean boards, ensuring a long-lasting favorite without torn pages. The puppets are tailor-made (excuse the pun) for little fingers, and can lead to hours of fun as toddlers can act out the story, make up their own dialogue, and of course use the puppets for other creative play.

Jack and the Beanstalk was a super fun story to craft and play out. If you aren't familiar with the story, there is a video below that you can watch first. A note about the printable - the beanstalk is tricky to color and cut out. Lorelai basically colored the entire area green, then went back with a marker to color in certain vines/leaves.
