That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Library An Unquiet History Matthew

Library: An Unquiet History had such great potential. The collective histories of books, intellectual freedom, and censorship are testaments to man's triumphs and faults. Unfortunately, this history is told by Matthew Battles, who could possibly be the most pretentious man alive.

Editions of Library: An Unquiet History by Matthew Battles

Library: An Unquiet History was a fun book to read, as it jumps from one vignette to the next, highlighting times of turbulence and uncertainty in libraries' history, from the relatively light "Battle of the Books" of Jonathan Swift's time, to the darker episodes of systematic library destruction during World War II and beyond.

Library: An Unquiet History by Matthew Battles | LibraryThing

Library: An Unquiet History kicks off by quoting a passage by Thomas Wolfe from Of Time and The River in which a man who works in a large library is beset by book panic, realizing that no matter how fast he reads he will never be able to read all the books in the library. It then goes on to tell the history of libraries (in the sense of collections of books that may or may not be available to ...
