Outlook Email Basics Ku Technology

KU Email The University of Kansas provides students, faculty and staff with email accounts. A KU email account is automatically created when you set up a new KU Online ID. Note: Students, faculty and staff lose access to their KU email 210 days after leaving the University. For this reason, we recommend using a more permanent personal email account for non-KU related purposes.

KU Email | Information Technology

While KU doesn't appear to have been targeted yet, it is possible that KU faculty or staff may receive these emails in the future. SECURITY ALERT: Coronavirus-related phishing attacks In March, I sent an email alerting the KU community that criminals were using the COVID-19 pandemic to send phishing messages, dangerous attachments and links to malicious websites.
