Pearson - Science

The first practice exam in the book is EXACTLY like the already released AP biology multiple choice exams. They just paraphrased and reworded the questions, but left exactly the same concepts. For example, on the first question they give u a graph and ask what the carrying capacity is.

Amazon.com: Preparing for the Biology AP Exam: With ...

This workbook is very helpful in studying Biology (the Dragonfly text). I got one for each of my kids, so they can test their knowledge by answering questions, and filling in the blanks, diagrams and charts after studying each section, without having to create their own note-taking pages.
