I've heard many complaints from customers, in person and online, about a ticking-type noise coming from the engine on their Chevrolet Silverado.Usually at start-up it is loudest, and this may even cause a misfire condition on a particular cylinder. The noise seems to be rotational, usually about half the speed of the crankshaft.Lately, I've seen a few of these in the shop, and it almost ...

### Chevy Silverado Engine Ticking Noise

The Screwdriver is a classic drink that has been designated an international Bartender Association official cocktail. The history of the Screwdriver is somewhat debatable, even though mention of it in literature goes back to 1949, when vodka was first gaining traction in the United States.
