••
The power of magic is seen by most magi in the Order of Hermes to reflect being closer to the Platonic forms, to be truer representations of what a being or thing is. Generally, the magic of a creature of this realm is not dependant upon any form of worship, belief, divine grace, or infernal

The Infernal

Magic was the ability possessed by some individuals to manipulate the ambient energies of the world to produce desired results, or so most thought. In the Realms, arcane magic was commonly referred to as "the Art", while divine magic was referred to as "the Power". In addition to granting spellcasting abilities, magic was an
