Reparations for slavery is the application of the concept of reparations to victims of slavery and/or their descendants.There are concepts for reparations in legal philosophy and reparations in transitional justice.In the US, reparations for slavery have been both given by legal ruling in court and/or given voluntarily (without court rulings) by individuals and institutions.

Reparations for slavery in the United States - Wikipedia

Executive Summary: This seminar will explore moral, legal, economic, historical, and political evidence for various global claims to reparations and redistributive justice. By bringing together scholars and activists from around the world, we aim to foster a collaborative, interdisciplinary inquiry that will explore both the assessment of, and redress for, human rights violations committed over the past several centuries.
