Sage MAS 90 and MAS 200 Manuals Online

There isn't a dummies guide for Sage 200, problems with writing such a book are a) the scope of Sage 200 which, as you'll know, has hundreds of options and b) as it is a completely customisable system, potentially, no 2 installations of the software are the same, a particular process one one installation may work differently to the same option on another installation which is one reason why all support for the software is via Business Partnerss, Sage don't support the software directly.
