The Scarlet Letter: Study Guide | SparkNotes

The Scarlet Letter opens with a long preamble about how the book came to be written. The nameless narrator was the surveyor of the customhouse in Salem, Massachusetts. In the customhouse's attic, he discovered a number of documents, among them a manuscript that was bundled with a scarlet, gold-embroidered patch of cloth in the shape of an "A."

The story, not bad. The style, unreadable. Here is who I would recommend this book to - people who like sentences with 4 or 5 thoughts, and that are paragraph length - so that they are nearly impossible to understand - because by the time the end, of the sentence, has been reached the beginning, and whatever meaning it contained, has been forgotten and the point is lost.

The life of the Custom-House lies like a dream behind me. The old Inspector,—who, by the by, I regret to say, was overthrown and killed by a horse, some time ago; else he would certainly have lived forever,—he, and all those other venerable personages who sat with him at the receipt of custom, are but shadows in my view; white-headed and wrinkled images, which my fancy used to sport with ...
