Richard Sharpe, from private in the British Army up through the ranks, brings history alive without effort. All of the books in the SHARPE series teach without the reader realizing he has been taught. Reminds me of the John Jakes CENTENNIAL series back in the 70's. I am just glad I didn't have to wait for the next in the series to be printed.

by Bernard Cornwell

... Campaign Spring

"Havoc" is the second book of this particular series, which ends in the south of France with Napoleon's first exile. Now, we can go back to the plot.

Sharpe is dodging the French on the north shore, when he sees a lone British soldier across the river.
