As the story progresses secrets come out, pasts are shared, and trust is tested when tables are turned. This first book in Romi Hart's Devil's Flame MC series sets a high bar for the series to meet. The rough and tumble characters, the raw and dirty world, and the great story line have left me wanting to read more.

The Devil's Dictionary was begun in a weekly paper in 1881, and was continued in a desultory way at long intervals until 1906. In that year a large part of it was published in covers with the title The Cynic's Word Book, a name which the author had not the power to reject or happiness to approve. To quote the publishers
