### The First Year Writing Program A Survival Kit

These courses provide instruction in both the what and the how of writing and are designed to teach writing in a way that makes it transferable to later writing situations. Our first-year writing curriculum is based on guiding principles developed from theory and research drawn from the field of Writing Studies and builds on the most recent empirical research on how students develop as writers.

### First-Year Writing Program - Writing and Rhetoric

First-year-writing courses at UIC are informed by the concept of situated writing—the view that writing is crafted in response to a particular situation, within a certain context, and for a specific audience, all of which influences the genres used and forms the writing takes. FYWP courses invite students to participate in ongoing public conversations about vitally important academic and public issues.
