Bitch, literally meaning a female dog, is a pejorative slang word for a person — usually a woman — who is belligerent, unreasonable, malicious, controlling, aggressive, or dominant. When applied to a man, bitch reverses its meaning and is a derogatory term for a subordinate, weak, or cowardly man. Its original use as a vulgargism, documented from the fifteenth century, suggested high sexual ...

Ovarian remnant syndrome is caused when bits of ovarian tissue are left behind during the spay surgery. This tissue continues to release hormones, prompting a spayed dog to still go into heat every six-to-eight months. If your dog has ovarian remnant syndrome, you may not notice it right away since your dog's heat cycles may not begin until months or even years after the surgery has taken place.
