Squirrels. PDF. Most Pennsylvanians are familiar with the gray squirrel, which lives both in towns and rural areas. The gray is Pennsylvania's most common squirrel; the fox, red and flying squirrels are three other species native to the state. Squirrels are fast and agile, scaling trees and jumping from treetop to treetop with great speed.

A dog or cat may keep squirrels out of your yard, particularly if your dog chases squirrels. If you don't have a cat or dog, you can place plastic owls around your property on elevated surfaces such as fence posts or the roof to frighten squirrels away. You can also buy containers of predator (wolf or tiger) urine to spray in your yard or garden.
