In 1964, the new sports car was in desperate need of a redesign, and its successor launched one of the most successful model lines in history. The 911, which is still in production to this day, is the company's best-selling model. The turbo version of the 911, the 930, was in production from 1975 to 1989, at which point the 964 was released.
