The Aisin Jeep AX15 transmission is one of the most successful manual transmissions fitted to Jeep vehicles – so successful that when it changed to the NV3550 after 1999, many Jeep owners got disappointed with the results. In mint condition, it resells well and can extend your Jeep's off-roading life for another decade or so.

Jeep claims to have received over 8,000 confirmed bookings for this SUV. Good news for the company, although the sales and service aspect - which has been Fiat India's Achilles heel - raises a big question mark. Jeep products aren't know for their reliability either, so we'll depend on ownership reports to gauge long-term durability.
