NOVA - Official Website | What Darwin Never Knew

The inception of Darwin's theory occurred during an intensively busy period which began when Charles Darwin returned from the survey voyage of the Beagle, with his reputation as a fossil collector and geologist already established. He was given an allowance from his father to become a gentleman naturalist rather than a clergyman, and his first tasks were to find suitable experts to describe ...

Archimedes was, arguably, the world's greatest scientist - certainly the greatest scientist of the classical age. He was a mathematician, physicist, astronomer, engineer, inventor, and weapons-designer. As we'll see, he was a man who was both of his time and far ahead of his time. Artists' ideas of Archimedes. We do
