Through their research and writing Dr. Ron Ritchhart and Mark Church have been leaders in advancing this important work. Their book Making Thinking Visible, co-authored by Karin Morrison, did much to popularize the use of thinking routines in schools and museums around the world. However, this has not been without challenges.

Cultures of Thinking -
Making Thinking
Visible. Ron Ritchhart
describes the Cultures
of Thinking like this:
"Within a culture of
thinking, students
experience school as a
place where thinking is
valued and given time,
rich opportunities for
thinking abound in
their day-to-day
classroom experience,
models of thinking are

intellectual character, creative teaching, making students' thinking visible, and most recently the development of school and classroom culture.

Ron Ritchhart | Project Zero - Harvard University

Overview. We define “Cultures of Thinking” (CoT) as places where a group’s collective as well as individual thinking is valued,

Access Free Making Thinking Visible Ron Ritchhart

visible, and actively promoted as part of the regular, day-to-day experience of all group members. Drawing on previous research by Ron Ritchhart (2002), the CoT project focuses teachers' attention on the eight cultural forces present in every group learning situation, which act as shapers of the group's cultural dynamic and consist of language, time
