Harrisburg East store, so I picked it up from there. I already had a Radio Shack ATV 1000 combo VHF/UHF/FM indoor antenna, so I plugged that in to the DTT901. I was pleasantly surprised when I performed the first auto-scan and received all the local digital stations clearly except for WPMT-DT (Fox).

I have a Radio Shack sport radio mounted right under the ashtray/coin holder and have no clearance problems. Mine is recessed all the way back so that the antenna cable barely clears the firewall. I really like it there. I have a floor shifter so a console mount wouldn't work for me either.
