It's easy to search Wikibooks by topic, and there are separate sections for

Where To Download Repair Guide Peter Russek

recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

This section contains a listing of repair manuals published by Peter Russek. There are an enormous number of different models sold in the NZ market, more than anywhere else in the world. As the manuals are published overseas they will not always match up exactly to NZ models - names may be changed, they may be sold in different years, and engines and other options may be different.
