Culturally relevant teaching or responsive teaching is a pedagogy grounded in teachers' practice of cultural competence, or skill at teaching in a cross-cultural or multicultural setting. Teachers using this method encourage each student to relate course content to their cultural context. While the term often deals specifically with instruction of African American students in the United States ...

Culturally relevant teaching - Wikipedia

GT Pathways courses, in which the student earns a C- or higher, will always transfer and apply to GT Pathways requirements in AA, AS and most bachelor's degrees at every public Colorado college and university. GT Pathways does not apply to some degrees (such as many engineering, computer science, nursing and others listed here).
