It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Art Of Submission D

The progress of mankind lies in the mutual respect and tolerance among nationalities. In the overall situation of the diversified international development, Chinese people all over the world respect the cultures of other ethnic groups and the folk customs of the host countries, cherish and protect their own national cultures.
