The Story Of Irish Race

In Virginia in the 1620s, slavery and indentured servitude existed, but there were both white and black servants and slaves. No one was a slave for life; rather, many immigrants to North America agreed to work for a planter for a specific period of time in exchange for their passage to the New World and food and shelter once they arrived. In 1622, a black indentured servant named Anthony ...

Race and Belonging in Colonial America: The Story of Anthony Johnson

It was a story of primarily Irish Catholic emigration before and after the potato famine - roughly 1840 to the Civil War - and that people's struggle to survive in this white, Protestant world. It's a sympathetic yet tragic story of how race has been a defining characteristic in U.S. culture and how the race question has also plagued the white ...

How the Irish Became White - University of Pittsburgh

The desegregation of Boston public schools (1974-1988) was a period in which the Boston Public Schools were under court control to desegregate through a system of busing students. The call for desegregation and the first years of its implementation led to a series of racial protests and riots that brought national attention, particularly from 1974 to 1976.
