As of December 2020, installations of wood-fueled boilers and stoves for home heating with an efficiency of 75% or better qualify for a 26% federal tax credit called the Investment Tax Credit or ITC. Between the tax credit and rebates combining for savings up to \$16,000, pellet boiler installation costs are now very competitive with installation costs for oil or gas boilers.

wood boilers, pellet boilers, chip boilers, by Tarm Biomass

Benchtop and Lab Ovens. Despatch laboratory ovens are high-performing and built from corrosion-resistant materials.
